

MMM Hong Kong

Update
April 2011

MMM is Moving Office

After many years of using a village house for the MMM office; MMM has leased a new office in Tai Wai. Our team are working to install some wall additions and make adjustments to suit our needs and we will also need to install an additional split type air conditioner. Our new venture will find us sharing office space with Eagles Mount Adventures. Eagles Mount Adventures is a UK and Hong Kong charity. They offer camps and programmes that provide opportunities for underprivileged, orphaned and abandoned children in China to experience love and joy by sharing the love of Jesus.

Thank You! Mr. Kwok, Mr. Law and Mr. Pang (& Mr. Lam not photographed) for your help in renovating the new office

Computer Upgrade

Uh Oh! Lately the MMM office staff have been frustrated by their aging computers. With moving to the new office we think it is time for new computers. If you would like to contribute to the office renovation, or computer upgrade please mark your donation accordingly. Donations can be made to MMM A/C Hang Seng Bank: 259-189934-001. Or if you would like to donate a computer, phone Eric Lee to see if what you have suits our needs. Phone Eric on :9864-3290

2 Corinthians 9:7 "Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves cheerful giver."

Project in... **KAZAKHSTAN!**

June 19th—July 9th

Tien Shan International School is the only Christian school in Central Asia serving a large missionary community. It is moving to a new campus and requires cabinet makers, builders and handymen to build shelves, storage cabinets, and work stations for over 20 classrooms. If you are interested contact the MMM office and we will send you more details.

Project cost approx \$12,000

Angel House Project- August

Angel House is a home for children with Cerebral Palsy. It began eight years ago by the principal who herself has a child with Cerebral Palsy. The school receives no government funding and is working for eternal results by sharing the love of Jesus. The current building is not specific to the needs of the children and has steps in places making it difficult for the children with limited mobility. MMM will renovate the building to better meet the needs of the children.

Contact MMM to register your interest.
