Prayer & Celebration

26 people attended the Prayer & Celebration Dinner on 15th of April. It was a great night of celebration, fellowship, prayer, praise and food!

Angel House Project August

Angel House is a home for children with Cerebral Palsy. It began eight years ago by the principal who herself has a child with Cerebral Palsy. The school receives no government funding and is working for eternal results by sharing the love of Jesus. The current building is not specific to the needs of the children and has steps in places making it difficult for the children with limited mobility. MMM will renovate the building to better meet the needs of the children.

March ET

It was a first time visit for The Chinese University of Hong Kong students to join an Encouragement Tour to serve at a leprosy village. The students are all studying social work and therefore from a study point of view were very interested in this visit. It was also the first time for the students to get involved in such a hands on way serving people but they did so willingly and with enthusiasm. One of the team members, Shan-shan wrote to us about her experience she said, "This was my first visit to a leprosy village but I was a bit worried about this new experience, however after praying I felt more at peace. I learned from this trip that you can have respect for people with disability because of the courage they have and secondly that no matter what a persons disability is we can

No matter what a persons disability is we can all take time to listen.

all take time to listen."

Zambia M.A.T

Since 2007 MMM has welcomed Mission Awareness Tours from Zambia. This years team had some difficulties before they came with some members not able to make the trip. Then the amount of paperwork required to get a China visa made that impossible also. However three team members arrived safely. The team spent time learning about Christian missions. They visited Dawn Island where they met with those recovering from drug abuse. Christian Concern for the Homeless, a Bible distribution ministry, Stewards a social concern work and they helped out on a MMM projects and at Crossroads. Kaiser one of the team members who is a building contractor in Zambia, employs men from the MMM Zambia Vocational Training Centre, 'happened' to meet a visitor from New Zealand who had connections with exporting building supplies. This was a big help to Kaiser who was seeking that opportunity while on this trip. Continue to pray for this team as they continue to think and be challenged about what they saw and heard while in Hong Kong.

Light from the Word

Matthew 5:14-16 "You are the light of the world. A town built on a hill cannot be hidden. Neither do people light a lamp and put it under a bowl. Instead they put it on its stand, and it gives light to everyone in the house. In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven."
