ABOUT MMM INTERNATIONAL (HONG KONG)

The Purpose of MMM International (Hong Kong) is to build, renovate and maintain properties and facilities used in conjunction with Christian activities.

Men and women of all ages volunteer their time to become involved. Working together, they bring a variety of abilities which blend to create a combined team ministry. Their help enables building projects to be undertaken economically, because labour is given free of charge to the organisations we assist.

The aim is to work alongside the local community to encourage and support them in their building project, rather than doing all the work. Our commitment to the development of Christian out reach is wide spread with MMM Mission Centres in Hong Kong, New Zealand, Zambia and throughout Australia. Teams of volunteers are formed to undertake work projects in other countries.

The influence of MMMHK is far more than an industrious taskforce. The love of God is displayed in a practical way.

THE PROCESS OF APPLICATION

1. Complete and return the 'Application for Assistance' form to the MMM Hong Kong office. It is helpful to us if you provide as much information as possible.
2. All information provided by you will be treated in strict confidence and nothing will be published about your project without permission.
3. The Application for Assistance will be assessed and if accepted will be scheduled into the MMM work program. You will be kept informed and notified in writing.
4. When the Project has been accepted there may be additional information required from you. We will liaise with you further as we prepare a team for the project.

WHAT IS EXPECTED FROM THE APPLICANT GROUP

1. Allow MMMHK an opportunity to promote ministry of MMM with your members and friends.
2. Plans and Engineers Reports prepared if required.
3. The project to be built must have all the necessary permits and approval from local government bodies.
4. Finances to cover the cost of materials for the project and in particular supply of building materials for the team.

5. We would prefer the work site to be covered by Public Liability Insurance.
6. It is hoped that local people will work along side the MMM team. One of the aims of MMM is to encourage local people and work with them rather than doing all the work alone.
7. We appreciate it if the Applicant Group can provide meals where possible. This should be discussed with the Project Manager.
8. We encourage the Applicant Group to involve the MMM team in their ministry in some way where practical.

PREPARING FOR THE TEAMS ARRIVAL

1. Dates will be set jointly with the Applicant Group.
2. If necessary, we will gather an international team. Advertisements for volunteers need to be placed well in advance. Please allow the maximum time possible till project start date.
3. We will arrange with the Applicant Group for team needs such as accommodation, meals, tools, travel, etc.
4. An MMM Team Leader will be appointed to co-ordinate the team and the project.

DURING THE PROJECT

Morning tea is a special time of each day in the life of MMM teams worldwide. As well as refreshments, a devotional prayer time is held, to which the Applicant's members are welcome. Generally the duration, including refreshments is 20-30 minutes.

Fellowship meals with members of the Applicant group will promote good interest and support of the project and foster a greater commitment to your ministry. With large projects requiring an international team, we send project news updates to team members' families, churches and prayer groups. This allows those at home to partner through prayer and in support for the MMM Team, Applicant Group and the project. Please keep us informed of prayer needs.

FINANCIALLY

Financially, the Applicant is under no obligation to MMM International (Hong Kong) for labour donated, travel or other team costs. It is MMM's God given charter to 'build and renovate' to assist the spread of the Gospel.

However, the Mission and its fulltime staff are supported by freewill donations following work projects or as God prompts people to give. If you do choose to support the Mission financially, gifts should be sent to:

UPON COMPLETION OF YOUR PROJECT

We would value your regular prayer support as our ministry continues to reach out to others in need.

Our prayer is that God will bless your ministry, and that what we have done for the expansion of your ministry will result in the extension of God's Kingdom.

HOW WILL THIS PROJECT BENEFIT YOU?

1. This project will expand and improve your own facilities.
2. This project could bring your members, interested friends and supporters together as they focus on the expansion of your ministry to achieve a common goal.
3. It will be an encouragement of God's goodness to all who hear of this project.
4. It will provide an opportunity for practical people to have a role in ministry.

We believe:-

1. In the unity of the Godhead, eternally existing in three Persons, namely—the Father, Son and Holy Spirit.
